

MÖBIUS COMMUNITY GUIDELINES

Best practices when it comes to using the Möbius Community Slack Workspace

Join in on the collaboration with the Möbius Community!

This Möbius Community Slack Workspace is a safe and insightful space to ask questions and share ideas with fellow instructors, content creators, course designers, administrators, and others involved in making Möbius available to students.

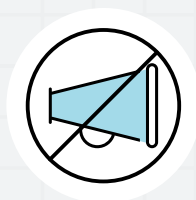

Möbius Community etiquette

NO
offensive material

ALWAYS be kind, polite, and respectful to your fellow Möbius Community members

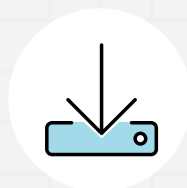

NO
spam or advertising

Remember...

This is a space for you to connect with OTHER Möbius users

Need additional Möbius support? [The DigitalEd Customer Support Team is just a call or email away!](#)

Use caution when posting Course Modules to the Möbius Community Slack Workspace

Other members will freely be able to download whatever content you post

Be conscientious when posting screenshots to the Möbius Community Slack Workspace

Other members will have full access to whatever you post

Disregard for these guidelines will result in your removal from the Möbius Community.
Concerned about someone else's actions in the Möbius Community? [Let a moderator know.](#)
